SECOND SUNDAY OF ADVENT
CATHOLIC CHAPLAIN--FATHER WILDERS

THE THREE M's

Mass. Hear Mass each Sunday and Holy Day of Obligation --- and over every day when you are free to do so. Make this Mass a complete Mass too by receiving Holy Communion.

Mary, God's Mother and yours. And like your earthly mother (God bless her) who loved to hear her baby talk, Mary delights to hear her baby, YOU, talk to her daily in the Rosary.

Meditation. Some sensible thinking about God, and your neighbor, and yourself. Be mindful that you are always in God's sight; that you have a duty to love your neighbor; that you have the Commandments to live up to at all times; that the way you live points out the way that one day you are going to die.

BLOOD STAINED ROADS

The road of accomplishment is stained with blood:

Helen Keller was from infancy deaf, and dumb, and blind, yet became an accomplished and educated woman.

The sculptor, Gonnelli, lost his sight in his twentieth year, yet executed excellent portraits in terra cotta - it being sufficient for him merely to pass his hands over a person's face to produce an exact likeness.

Dr Nicholas Sanderson was blind before he had his first birthday, yet gained a professorship of Mathematics and optics at Cambridge University.

Homer was blind. So was Milton. Beethoven was deaf.

In other words, a difficulty is a difficulty, not necessarily defeat; and without difficulty victory is impossible.

PRAYER FOR AVIATORS

O God, who made all the elements and gave man dominion over land and sea, bless us, who now would conquer air. Hold up our wings with your almighty hand. Calm the winds as once you calmed the waves of Galilee. St Raphael, St Gabriel, St Michael, archangels of the mighty wings, protect us as we fly. Mary, Queen of the Earth and Sky, pray for our happy landing. Amen.

We would like to see many more at week-day devotions. Certainly you can give the time to Our Lord. You give time to so many other things much less important!! So, come out to devotions!!

SPIRITUAL SAD SACK

HE IS ENGAGED TO THE GIRL BACK HOME.....But he really gets around.

HE WRITES HER FAITHFULLY..... But faithfulness is not one of his strong points.

HE LOVES HER ARDENTLY WHEN SHE'S AROUND.....But on the road he breaks down.

LOYALTY TO HER COULD PUT SOME BACKBONE INTO HIS CHARACTER..... But he prefers to join the pack.

HE IS A SPIRITUAL SAD SACK.

Our new little chapel, in the rear of the big chapel, is dedicated to Our Lady, Queen of the Skies. Our Lord is there in the Blessed Sacrament. Come in and pay Him a visit once in a while.
